

# Patient Safety Curriculum: *Gaining Consensus*

---

A one-day interactive workshop designed for healthcare educators and leaders to discuss the core components of a Patient Safety Curriculum.

Discussions will focus on a draft Patient Safety Curriculum framework that is based on a unique health system safety model developed in Calgary.

## **Keynote Speaker:**

**Merrilyn Walton, PhD**

Associate Professor & Director, Patient Safety, Office of Postgraduate Medical Education University of Sydney

Director & Author, Australian National Patient Safety Education Framework

Member, World Health Organization Patient Safety Curriculum Design Working Group
